

Opioid Abuse Advisory Committee

Agenda | Meeting 3
Ramkota – Pierre, SD
Monday, May 1, 2017
10:00 a.m. – 4:00 p.m.

Meeting Preparation: Review results from the National Governors Association strategy assessment and following surveys: pharmacists, medical and dental providers, and criminal justice. The substance use disorder counseling and treatment agency preliminary data will be available at the meeting. The patient and family survey results may be reviewed at Meeting 4. Also review articles provided for pre-reading.

Meeting 3 will be the first meeting to review the needs assessment and conduct strategic planning. The Committee will work in sub-groups over the spring and summer to further define objectives. The strategic planning will be continued at Meeting 4 – Thursday, July 27.

Meeting Outcomes:

- Address clarification questions regarding needs assessment results thus far.
- Define strengths, weaknesses, opportunities, and threats of opioid abuse prevention, surveillance, and response efforts.
- Begin defining goals and objectives for statewide strategic plan.
